

Strathglass Heritage Association

Membership Application

Thank you for applying to join Strathglass Heritage Association.

The aims of SHA are to research, record and preserve all aspects of cultural, natural, archaeological and architectural heritage of Strathglass.

SHA aims to make aspects of the heritage of Strathglass known to the public and in particular local residents, and to encourage public and local interest in our heritage.

We are fortunate to be in an area with a very rich heritage and membership of SHA is open to all persons interested in the heritage of Strathglass and willing to further the aims of SHA.
